PENNSYLVANIA 4-H MEMBERS HAVE OPPORTUNITY TO LEARN CAREER SKILLS DURING STATE 4-H ACHIEVEMENT DAYS

UNIVERSITY PARK—Pennsylvania 4-H members will have the opportunity to learn hands-on career skills during the new Career Exploration Program at State 4-H Achievement Days, which is to be hosted at Penn State’s University Park campus in late July.

On July 25th Career Exploration Program workshops will allow high school age 4-H members to have fun while gaining experience and knowledge in a career field of their choosing. Career

Exploration Program workshops available will include:

- Beam Busters—Could You be an Engineer?
- CSI: Small Animals
- Explore a Career in Natural Resources
- Food Science: It’s a Matter of Sense!
- Soil: It’s a Jungle in There!
- So You Want to be a Veterinarian!
- Start Your Engines: Electrical Applications for Machinery
- “*You’re...a Lion!?!?*”: Becoming the Next “Apprentice” in Agribusiness

Students may choose to participate in any one of the workshops. All participants will also have the opportunity to learn about Penn State and the College of Agricultural Sciences, as well as meet faculty and staff from a wide variety of disciplines and learn tips on preparing for college.

The Career Exploration Program is limited in space. Students wishing to participate should visit the State 4-H Achievement Days website (<http://pa4h.cas.psu.edu/77.htm>) and under the 2007

Contests section download the flyer and registration form entitled “Ag Exploration Track.”

Registration forms must be completed and returned to Lydia Everhart at 416 Ag Administration

Building; University Park, PA 16802 no later than July 1, 2007.
